Carry-on baggage

Carry-on baggage for worldwide travel

For worldwide travel on United (including travel within the 50 United States, Puerto Rico, the U.S. Virgin Islands and Canada), you may carry on one bag and one personal item such as a purse, briefcase or laptop computer. Your carry-on bag

- must fit under your seat or in the overhead bin;
- should not be more than 9 x 14 x 22 in. (23 x 35 x 56 cm) (length x width x height) or 45 linear inches* (114 linear cm); and
- may be required to travel as checked baggage if the bag cannot be safely stowed on a particular flight.

The following personal items are not counted toward your one bag and one personal item limit:

- Assistive devices (canes, crutches, etc.)
- Outer garments (coats, hats, etc.)
- Reading material (a reasonable amount)
- Umbrellas (one per passenger)
- Food and beverages to be consumed onboard

Please note that items must be stowed in the overhead bin or under the seat in front of you. They may not be stowed in the seat back pocket.

Liquids, gels and aerosols

Liquids, gels and/or aerosols are permitted through security checkpoints worldwide. **Items must fit in one clear, resealable quart- or liter-sized plastic bag, in containers of 3 oz. (100 mL) or less.** (For ease of memory, please follow the 3-1-1 rule.)

Plastic bags must be completely sealed and will be x-rayed separately at the security checkpoint.

The following items are allowed but must be presented to officials at security checkpoints if they are of greater volume than 3 oz. (100 mL):

- Baby formula/milk, including breast milk and baby food in containers.
- Medications (liquid, gel or aerosol)
- Liquids, juices or gels for diabetic passengers who indicate a need for such items to address their medical condition. (A letter from your physician is not necessary.)

Liquids, gels and/or aerosols (including duty-free items) purchased in the International boarding area are permitted onboard the aircraft **but may not be allowed through security at your US connecting airport.**
