

Iberia Airlines International Baggage Allowance

Checked Baggage

Your ticket includes one piece of checked baggage.

Maximum standard weights and dimensions

23 kg/50 lb (maximum 32 kg) & 158 cm/62 in (height+width+length)

Handle, pocket compartments and wheels included in the dimensions.

The maximum weight of each piece is 23 kg/50 lbs, but you can take up to 32 kg on payment of an excess baggage fee. .

All checked baggage is personal and non-transferable: each passenger must check in their own item.

Carry on Baggage

You can take one cabin bag and one personal accessory on board.

On high-occupancy flights where capacity on the aircraft is more limited, some hand luggage may be removed and placed in the hold, even if it complies with the regulations. In these cases, no fee will be charged.

On Iberia Regional Air Nostrum aircraft, which are smaller than the regular aircraft, there may be limitations on taking hand luggage on board. If this is the case, your hand luggage will travel in the hold free of charge and will be returned to you at the foot of the aircraft when you disembark at the destination.
