

Icelandair Baggage Allowance

Complimentary meal service is not provided. Food for purchase will be available onboard. You may bring food onboard that has been purchased at the airport or in sealed packaging from home.

Checked Baggage

Economy Class

1 x checked bag (up to 50 lbs) not to exceed 62 linear inches (height+width+length)

Carry On Baggage

Economy Class

One carry-on bag per person, in addition to one small personal item, such as small hand bag or laptop. The maximum weight allowed for your carry-on is 10kg (22lbs).

Liquids may be carried inside your cabin luggage provided that they meet the following conditions:

- No container may hold more than 100 millilitres (3 ounces) of liquid.
- All of the liquid containers must fit easily in a clear, re-sealable plastic bag, in which the liquids total no more than 1 litre (1 quart).
- Each person may have only one such plastic bag.
- "Container" means any bottle, flask, tube, canister or other object that can hold a liquid.
